Please make a sketch showing the driveway location below or on the back of the form. The physical location of the driveway must also be marked with stakes and flagging so the exact position can be determined.

You will receive notice of your "911" number within two weeks of receipt of the completed application. New roads or difficult locations may take longer, especially if we need to contact the State Bureau of Emergency Communications Mapping Division.

***Once assigned, this number must be posted so that it is readily visible from the street, either on the side of the building facing the street or on a mailbox or sign post at the driveway entrance.***
